

Join us for an Evening with Ben's Bells!

Ben's Bells is coming to the Anamax Recreation Center on September 14th!

Ben's Bells is coming to Sahuarita to share their Be Kind message and ceramic art activities. We'll tell the story of Ben's Bells and share our free Kind Campus program available to all K-12 schools. There will also be a hands-on art activity painting Ben's Bells Kindness Coins!

Engaging in our ceramic art activities in a great way to have fun while participating in an impactful community activity. Participants will learn about the positive impacts of intentional kindness by helping to create small works of art that spread throughout our community and remind people to be kind.

We'll also share information about Kind Campus, a free, school-based program that educates students, families, faculty, and staff about the benefits of kindness, and empowers them to create a culture of kindness in their school and beyond.

Learn more about Kind Campus and sign your school up at this event! Abundant research demonstrates that the practice of intentional kindness benefits all of us, no matter our age.

Join us!

Saturday, September 14, 2019 · 1:30–3 PM
Anamax Recreation Center, Multipurpose Room
17501 S. Camino De Las Quintas
