

Ben's Bells Stepping Stone Project

Thank you for your help recruiting young artists for our stepping stone project!

Students' kindness-themed drawings are selected throughout the year to be turned into mosaic stepping stones that are auctioned off at various fundraisers. This fun project helps us create beautiful visual reminders of kindness and allows Ben's Bells to raise funds to support free educational programming for schools.

What to do....

1. Ask your students if they'd like to design a kindness-themed stepping stone for Ben's Bells!
2. Students can draw their design on the template provided. Please make sure that all information on both pages of this form is filled out.
3. Return design and this form to Ben's Bells. You can drop them off or ship to: Ben's Bells Project, 40 W. Broadway Blvd., Tucson, AZ 85701. Or, scan and email to: media@bensbells.org.
4. Teachers will be contacted if a design is selected.
5. Selected designs will be translated into mosaic and the stepping stone will be auctioned. We will feature the design along with the completed stepping stone, your school's name, and the student designer's first name on social media and our auction site.
6. Have fun! Remind your students that expressing kindness and gratitude is a great way to be kind to yourself and help make our community more kind.

Thank you for being a partner in this work!

Your Name: _____ School Name: _____

Your Email: _____

Your #: _____

Thank you for participating in the Ben's Bells Mosaic Stepping Stone Project. In the square below, please create a drawing based on the idea "What does kindness look like?" Feel free to use color, text, and the logos provided below. Thank you!
